### **New coordinator Ewa Janek**

We are pleased to inform you that in mid September a new colleague joined our team - Ewa Janek. Principally she is responsible for the coordination of orders; equally our translators and our clients will certainly have permanent contact with her.

Ewa is a graduate of the University of Rennes in France; she studied translation and multilingual and multimedia communication. One may contact her in the Polish, English and French languages.

We will be very pleased if Ewa feels at home within our modest thresholds and stays with us for a long time. We hope that with her work and talents she will supplement our team, and that her entirely fresh point of view shall bring great benefit to our work.
